Stone Collection

Stone is a high quality composite “solid surface” material, made of natural materials, resin and polymers. This composition gives the stone a unique warm quality, similar to natural stone. Resistant to all sorts of chemical and physical influences, as well as its completely impermeable surface make this material one of the first choices for interiors when hygiene and design matter the most.

Laundry Bags, Décor Walther
Available in a reed grey, white or black colour.

Discreet luxury and enduring quality are intrinsic to the Décor Walther brand. Constructed from nylon, this removable laundry bag is robust, durable and waterproof. Its chrome plated frame is foldable in a 'criss-cross' design, giving this laundry bag slim proportions and allowing it to fit in narrow niches. The laundry bag has handles, making it easy to carry and a cover that folds over the top to conceal laundry.
