Freestanding Urinal

The appeal of a freestanding urinal lies in its ability to combine practicality with presence. Whether installed in a luxury hospitality environment or an exceptional private residence, it introduces a level of craftsmanship and design distinction rarely found in everyday sanitaryware, creating a washroom that feels both purposeful and memorable.

Waldorf Freestanding Urinal

Its vertical, architectural form brings a strong visual presence while maintaining clean, refined lines suited to both contemporary and classic interiors. Ideally suited to boutique hospitality environments, it is also increasingly specified in luxury residential projects where distinctive design and elevated detailing are key considerations.

Supplied with siphon and fixing screws.
Flush mechanism sold separately.

Dimensions:
Height: 1245mm
Width: 440mm
Depth: 340mm

Code: 12541310
Price: R31 150
